Our Supply Chain

Our supply chain comprises the engagement of suppliers for delivering products to construction sites and the sourcing of materials and manufactured products into our depots. We are committed to ensuring that slavery and human trafficking plays no part in our supply chain or any part of our business.

As part of our initiative to identify and mitigate risk:

- Where possible we build long standing relationships with our customers and our suppliers, making clear our expectations of business behaviour.
- We have systems set in place to encourage the reporting of concerns and the protection of whistle blowers.

Supplier Adherence to our Values

We have zero tolerance to slavery and human trafficking and we expect all those in our supply chain and contractors to comply with our values.

Training

To ensure a high level of understanding of the risks of modern slavery and human trafficking in our supply chains and our business, we provide training to relevant members of staff using relevant tool box talks. All Directors and managers have been briefed on the subject.

Contact information
